CHILDREN'S HOSPITAL OF EASTERN ONTARIO FOUNDATION

CHEO is a health care centre dedicated to providing comprehensive care to children and young people in Eastern Ontario and Western Quebec. Founded in 1974, CHEO offers a range of medical services for patients from birth through 18 years of age.

The purpose of the foundation is “to further the physical, mental and social well-being of children and their families in Eastern Ontario and Western Quebec by raising, managing and disbursing funds.”

Funds raised by the Foundation help to: fund research, purchase new equipment, enhance the paediatric nature of the hospital, train staff, and assist families in crisis.

CLUB MONT STE MARIE JUNIOR SKI PROGRAM

Club Mont Ste Marie Junior Ski Program is a volunteer non-profit organization that promotes skiing excellence among youth, in a competitive, enjoyable atmosphere that allows each athlete to develop, mature and achieve their own potential, both as a skier and as a young adult.

CHILDREN'S AID FOUNDATION OF OTTAWA

The Champions For Children Foundation is committed to breaking the cycle of abuse, educating high-risk families and rallying community support to prevent child abuse and neglect. The Foundation raises funds for child abuse prevention programs developed by the Children's Aid Society of Ottawa. By funding these programs, it is our goal to help children in the care of the CAS of Ottawa to become more self-confident and enhance their ability to face the challenges that life can sometimes present. Our three “Pillars of Prevention” program allows them the chance to develop skills and become responsible and mature adults through Education, Enrichment and Prevention.

The generous donations to the Children's Aid Foundation of Ottawa from the Ski For Kids fundraising event enables the Foundation to continue to improve the lives of children and youth at risk. In 2011, proceeds from Ski For Kids assisted the Foundation to: a) provide over 60 children with the opportunity to participate in sports, recreational and cultural activities; b) assisted over 20 children and families with the purchase of essential items such as clothing and furniture, and; c) provided 46 young adults with bursaries, allowing them the opportunity to change their lives by pursuing a post-secondary education
